

BlueParrott C300-XT

How do I pair my BlueParrott headset with my smartphone?

- 1. Turn your headset on.
- 2. Press and hold the **Multi-function** button until you hear "Pair Mode" announced in the headset and the light alternates blue and red. Your headset will be visible for pairing to devices for 120 seconds.
- 3. Turn on Bluetooth on your smartphone and then select your headset from the list. Enter "0000" if you are asked for a pin code.
- 4. You will hear "Your headset is connected" announced when you have successfully paired your headset.
