

# BlueParrott App

## What is the BlueParrott app?

### Prerequisites

- [BlueParrott app - iOS](#)
- [BlueParrott app - Android](#)

The BlueParrott app offers a range of extra features that enable you to personalize and enhance your BlueParrott headset.

- Program your BlueParrott Button from your mobile device and get fast access to your favorite features such as mute, speed dial and more.
- Integrate with a range of third-party platforms for a seamless Push-to-Talk (PTT) experience.
- Easy over-the-air firmware updates\*
- Get started with user guides and contact the BlueParrott technical support team when you need assistance

\*Selected headsets. See your headset's user manual for more information
