

BlueParrott M300-XT

How do I pair my BlueParrott M300-XT with my smartphone?

To pair your BlueParrott M300-XT with your smartphone, tablet, or other mobile device, follow these steps.

1. Turn on the Bluetooth setting on your mobile device.
2. Ensure your headset is turned off by pressing and holding the Multi-function button (3 seconds) until the LED flashes red. “Power off” will be announced in the headset.
3. To enter pairing mode, press and hold the Multi-function button (6 seconds) until the LED flashes red and blue. If you are wearing the headset, “Pair mode” will be announced.

The headset is now ready to pair with your mobile device.

4. Go to the Bluetooth menu on your phone and select the BlueParrott M300-XT from the list of available devices.
