

BlueParrott C300-XT

How do I change the wearing style on my BlueParrott C300-XT headset?

To change the wearing style on your BlueParrott headset, select one of the following styles.

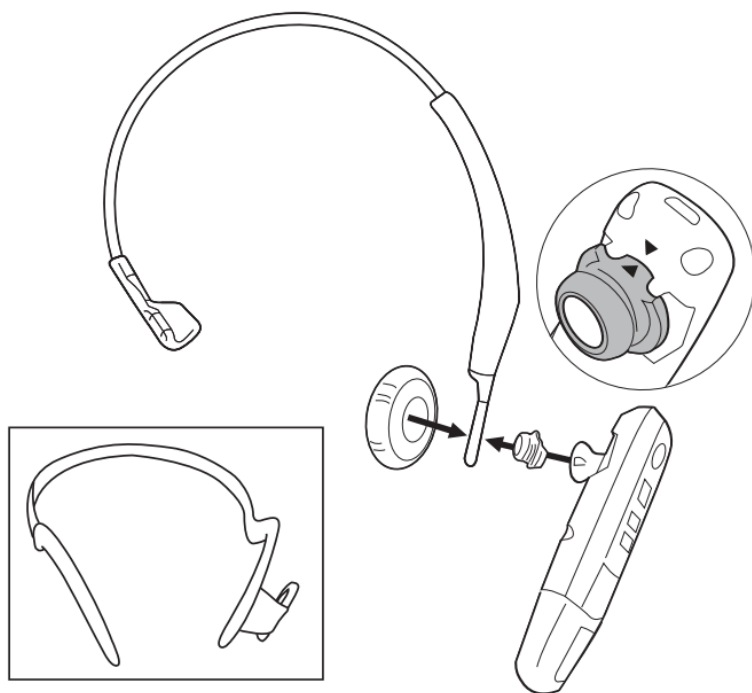

On-The-Ear wearing style

Attach the preferred eargel, then the preferred earhook to the headset.

Over-The-Head and Behind-The-Neck wearing styles

1. Attach the wearing style converter to the headset, noting the alignment indicators on the adapter and the chassis of the headset.
2. Attach the preferred wearing style to the headset.
3. Add the leatherette or foam ear cushion.

Note

The Over-the-Head style is reversible for either left or right use.
