

BlueParrott Reveal Pro

How do I pair my BlueParrott headset with my smartphone?

1. Turn your headset on.
2. Press and hold the **Multi-function** button until you hear “Discovering” announced in the headset and the LED alternates red and blue. Your headset will be visible for pairing to devices for 120 seconds.
3. Turn on Bluetooth on your smartphone and then select your headset from the list. Enter “0000” if you are asked for a pin code.
4. You will hear “Your headset is connected” announced and the LED will flash blue when you have successfully paired your headset.
