

BlueParrott B250-XT

How do I pair my BlueParrott headset with my smartphone?

- 1. Turn your headset off.
- 2. Press the **Multi-function** button until you hear four rising tones and the light alternates red and blue. Your headset will be visible for pairing to devices for 120 seconds.
- 3. Turn on Bluetooth on your smartphone and then select your headset from the list. Enter "0000" if you are asked for a pin code.
- 4. When connected, you will hear a single tone and the **Multi- function** button will flash blue.
