BlueParrott B250-XT

How do I pair my BlueParrott headset with my smartphone?

1. Turn your headset off.
2. Press the **Multi-function** button until you hear four rising tones and the light alternates red and blue. Your headset will be visible for pairing to devices for 120 seconds.
3. Turn on Bluetooth on your smartphone and then select your headset from the list. Enter "0000" if you are asked for a pin code.
4. When connected, you will hear a single tone and the **Multi-function** button will flash blue.
